DATE: _____

CHECK-IN TIME: _____

INSTRUCTIONS:

AM PROCEDURE: No food after midnight. You may have sips of clear liquids the morning of the procedure.

PM PROCEDURE: You may eat a light breakfast before 7:00 am, then nothing by mouth until after the procedure.

Please note – **DO NOT STOP** Plavix, Ticlid, Effient, Brilinta or Aspirin. Take your blood pressure medicine the day of the procedure. Bring all of your medications to the hospital with you. This test is considered an outpatient procedure and you should be able to go home several hours after the procedure. **You will need someone to drive you home.**

****IMPORTANT****

If you are...

- allergic to Iodine (contrast dye) notify our office immediately.
- on the medication Coumadin (Warfarin) stop 4 days prior.
- on the medication Pradaxa, Eliquis or Xarelto stop 1 day prior.
- on the medication Glucophage (Metformin) or Janumet do not take the day before or the day after your procedure.
