DATE: _____

CHECK-IN TIME: _____

INSTRUCTIONS:

Nothing by mouth 8 hours prior to the procedure. This will reduce the likelihood of nausea or vomiting. You will be asked to check in 2 hours before the procedure. The test itself will take about 1 hour, and you will be able to leave immediately after the procedure. You should have someone available to drive you home.

Hold all medications that day until after your test. Please let us know if you are a diabetic so we can advise you on your medication.

Return appointment post-procedure: _____
